

# Low Voltage Mounting Brackets

*For Low Voltage, Class 2 wiring in **NEW CONSTRUCTION***

Arlington's non-metallic, Low Voltage Mounting Brackets are the time and money-saving solution for fast, easy and secure mounting of Class 2 wiring.

Designed for new construction, **LVMB1** and **LVMB2** mounting brackets allow you to install communications wiring without an electrical box.

- Works with 1/2" or 5/8" drywall
- Permits the use of 3/4" EMT
- Made of non-conductive, smooth plastic that prevents damage to cable
- UL and CSA Listed
